WITNESSES IN DEFEE CASE COMING.

Madisonville, Texas, Sept. 19.—Quite a large delegation from here will have to attend court in Bryan next Monday as witnesses in the Defee cases, transferred from this county. It is a noted case wherein R. K. Defee and John Defee are charged with murdering Tom Defee, a son and brother.

Capt. Tom Ross, of the State Ranger force, who has been looking after the state's interest in the Defee cases for the past two years, came in Monday evening to assist in getting all witnesses off in time to be in Bryan next Monday morning for the calling of the case, in order, if possible, to get a trial and prevent further expense and trouble of having to go again.—Galveston News.
