B. at it was high had	tors are obligated to have all mach- inery installed and in operation by October 10. Tom Defee, the young man who was knocked in the head at Midway Wed- nesday night, died Friday morning. John Defee, his brother, with whom it is alleged he was sleeping when struck with an ax, has been arrested. A young man, apparently twenty- three years of age, killed himself at Marlow by swallowing carbolic acid. From papers found upon his person his name is supposed to be Clarence Carrol Mackey, from St. Louis. Prisoners Make Unsuccessful Break. Linden: While Sheriff Walker was having the jail repaired, he moved three prisoners from the main cells to the crazy cell. About two o'clock in the evening they made their escape by breaking one of the bars. The alarm was given and about fifty men and have gone chase and soon discov-	The at and the c per cent Big San An fine new seems ver and citize a man to good hote ren, is h Central S pany and tel propos the citize A Madison day night bedroom ax dealt M crushing alive but John Defe man, was
