W. G. ROBERTSON,

OF CALVERT, TEXAS,

Having forty years experience, informs the public that he has tried and "found wanting" all the Northern patents for gin sharpening; and that he has faithfully tried and used the "PEEL PATENT GIN SAW FILING MACHINE," and, without any exception, it has rendered perfect satisfaction - restoring old worn-out saws to style and shape, and making them produce good, even samples of cotton. This is no humbug, and to satisfy the public, we subjoin the good farmers' names below for your reference:

Mr. J. O. Love, Marshall, Texas; Mr. R. A. R. Hallum, Barton, Texas; Mr. G. W. Tubbs, Centerville, Texas; Mr. E. J. Allums, Cassata, Texas; J. T. Hardie & Co., New Orleans, La.; Mr. J. H. Jones, Linden, Mississippi; Mr. H. L. Jones, Linden, Mississippi; Mr. H. Fuller, Cassata, Texas.

And that he is prepared to sell rights to States and Territories.

Any person desiring work or rights will please address W. G. Robertson, at Calvert, Texas, or L. G. Feltz, at Hazlehurst, Mississippi.

Very Respectfully,
W. G. ROBERTSON,
L. G. FELTZ.
