Dear Mercedes,

It has been a long time since graduation. Let's all get together and for one big evening re-live our school days.

Arrangements have been made with the Oakridge Country Club at Madisonville for the evening of November 21, 1980. Get "re-aquainted" hour beginning at 6:30 p.m. with everything from soft drinks to whatever. Dinner at 7:30, followed by country music--dancing if you desire.

We are inviting the graduating classes of 1937, 1938, and 1939, and not taking "no" for an answer. Johnnie Rae (Burts) Parker and I are going to see that all the 1938 class shows. Luke Adams and Burma (Blount) Williams are looking out after the 1937 group, and Minnie (Barlow) Baxter and Johnny McMahon the 1939's.

Invited are spouses and any other special guests you might want to bring. Enclosed are lists of those people involved. We do not have an address for several. If you know any of their whereabouts, please give us the address.

From talking to some of the group we should be able to have a real good attendance. Rush a reply back saying yes. A suggestion has been made that dress be informal. The costs for the cocktail hour, dinner and hall is pegged at \$10.00 per person. If anyone thinks this is too much, let me know and I will trim it down. No one is to stay away.

Looking forward to seeing everyone, so answer quick.

Sincerely,

DEMPSEY ALLPHIN
